HACKAWAY CAMP IS HERE

MIAMI'S ONLY CODING, DESIGN & ROBOTICS SUMMER CAMP

WEEK 1
JUNE
12-16

CODER

Become a Coder. Coding is the new literacy. Start learning this summer. Develop a game and publish it on Xbox Live or online and more.

WEEK 2
JUNE
19-23

DESIGNER

Become a Designer. Design thinking is smart thinking. Create your own logo, make iMovies, design a T-shirt and learn how 3D printing works and more.

WEEK 3
JUNE
26-30

ROBOTICS

Become a Robot boss. Robots = The Future. Build, program, battle and play with robots and more.

WEEK 8
JULY/AUG
31-4

DESIGNER

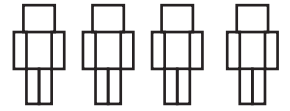

Become a Designer. Design thinking is smart thinking. Create your own logo, make iMovies, design a T-shirt and learn how 3D printing works and more.

WEEK 9
AUG
7-10

ROBOTICS

Become a Robot boss. Robots = The Future. Build, program, battle and play with robots and more.
